11-7	<u>Surf City HS</u> <u>(Huntington Beach)</u>	<u>West Bakersfield HS</u>	
11-14	<u>Edison HS</u> <u>(Orange)</u>	Centennial HS (Corona)	Cajon HS (San Bernardino)
11-21	<i>California State Band Championship @ San Geronio HS</i> <i>(San Bernardino) State Championship Sites Will Rotate Every 2 Years.</i>		

There are seven Regional shows designated by underline and bold type. To qualify for SCJA State Championship a band must:

- 1) 2008 Past Champions may return automatically to defend their title in the same division. If the number of student performers exceeds the maximum for that division, you must qualify for the larger division. If your numbers decrease, you may elect to take your automatic berth and defend your title in the same division as last year, but if you move down a division you must re-qualify.
- 2) Finish first at a SCJA Regional show (see calendar above) - minimum qualifying score 65.0.
- 3) Be the next highest scoring band in your division at a Regional if the highest scoring band has already qualified. (Minimum score 65.0)
- 4) "At large" berths will be offered after 11/7/09 (minimum score 65.0). There is a maximum of 8 bands in each division at State Championship. Bands that have not yet qualified will be offered an available berth based on the highest score of the season (minimum score of 65 still applies).

Division breakdowns are the same as last year.

I = 1-39, II = 40-64, III = 65-89, IV = 90-114, V = 115 and over. This number includes all performers; musicians plus colonguard (conducting DM not included).
